

Sunfish Worlds Youth & Masters Bonaire 2019 Partner Program

Bon bini na Boneiru! Welcome to Bonaire!

Bonaire is an unspoiled gem in the Caribbean with lots to offer both on land as well as at sea. For you to enjoy the best Bonaire has to offer Tropical Travel Bonaire has the following suggested itinerary for you:

Monday: Discover Bonaire Island Tour discounted price for partners of athletes Start 8.30 \$50,- p.p.

Join us for this tour and see the highlights of the island.

A professional guide will take you along the coast road to the North visiting Goto Lake with its beautiful vistas and, at times, many flamingos. The tour continues to the oldest settlement in the Dutch Caribbean, Rincon. We visit the "Museo Chichi Tan", a traditional Bonairian house where you are offered a typical local refreshment, "awa lamunchi" and a small snack.

Afterwards we will drive up "Seru Largu" for a nice Island view.

Heading southeast to the Mangroves, you will learn about the mangroves ecosystem and the creation of the thousands of years old coral surface for which Bonaire is famous. All this while you enjoy the view of the wonderful waters surrounding Sorobon Beach, one of the prettiest windsurf places in the Caribbean.

On our way back we will pass the salt pans with their breathtaking colors, the salt works and the slave huts. Ample explanation about these will be coming your way. Several stops will be made during this interesting tour to let you enjoy the surrounding and to give you plenty opportunity to take pictures.

Duration: 5 hours

Including: pickup service from your hotel, local drink and snack, water, guide

Tuesday: Kayaking in the Mangrove \$55,- p.p.

The tour will start from the beach of Lac Cai. Under the guidance of a guide you will discover the beauty of the mangroves.

Kayaking with the glass bottom kayaks through the mangrove tunnels, you will see different kinds of birds. While snorkeling one of the mangrove tunnels, you will be amazed by the different varieties of fish, coral and sponges. The mangroves are a very important part of Bonaire and are internationally protected by RAMSAR Treaty. It is considered as the nursery for many species of wildlife.

All snorkel gear is provided as well as a bottle of water during the tour. When we come back to the beach we serve fruit punch and our famous Dutch Stroopwafel. After this break our guide will show you a great spot, where there is a good chance to see turtles. Here you have some time to snorkel on your own.
